

# NEXUS21

## MOTORIZED MOUNTING SOLUTIONS

### TECHNOLOGY IN MOTION

Residential • Marine • Commercial • Hospitality • Outdoor

#### WHERE DESIGN MEETS FUNCTION

Nexus 21 is the leader in motorized solutions that put technology in motion. Engineered to be the quietest, most reliable and easiest to install mounting solutions on the market, we break down the barriers of conventional design and room orientation with covert integrations for any space.

#### THE NEXUS21 ADVANTAGE

Our precision-engineered, motorized systems are made to last. Designed and engineered in America, we back every unit with the industry's longest warranty and lifetime technical assistance. Every Nexus 21 TV lift is designed with both professionals and homeowners in mind, to provide the most comprehensive, innovative solutions available. All of this, combined with industry leading customer service and virtually no lead time on orders, make us the #1 choice for professionals across the globe.

#### POSITIONAL VIEWING SOLUTIONS

##### Extend & Swivel

The Apex Motorized TV Mount revolutionizes positioning technology with a seamless blend of high function, sleek aesthetics and simple, three-step installation.

##### Over-Mantel

Accommodating screens from 48" - 75", the Transcend Pro Series overcome the challenge of mounting a screen above a mantel.

##### Drop-Down TV Lifts

Our drop-down TV lifts accommodate screens from 17" to 75", allowing them to descend from the ceiling with the touch of a button, and hide away when not in use.

##### Flip-Down TV Lifts

Our flip-down TV lift features ultra-slim installation depth requirements and folds a screen flat into the ceiling.

##### Pop-Up & Pop-Up Swivel TV Lifts

Our pop-up TV lifts can be built into cabinets, beds and other furniture - or even under the floor. Available with or without swivel, our pop-up TV lifts accommodate screens from 17" to 90"+.

##### Eclipse Series Projector Drop-Down Lifts

The Eclipse Series is the ultimate in stealth concealment for projectors, featuring the most innovative installation features on the market. Accommodates 500+ projector models.
